

Athletes should be aware that if they finish a race and a time is recorded but they do not report, then when matching times with places there is a mismatch and incorrect times are allocated. If you finish a race please make sure that you are recorded as a finisher whether you have a race number or not or whether you are only using the race as a warm-up or warm-down.

Feedback from athletes' GPS watches showed that the 2km course was between 70m and 100m long. The 1500m course was between 10m short to accurate. The 800m course was accurate, the 1km courses was around 40m short.

If you wish to give feedback on any matter regarding the courses or the running of the competition you are invited to use the email address listed below.

We wish to encourage athletes and spectators to volunteer in making the running of the afternoon's events as successful as possible, even if it just for one race. We need volunteers as back-up time keepers, recorders and course marshals as well as to pick up the flags at the end of the competition.

The day was fine and mild.

If you notice any errors in times, or in the member data base could you please advise the correct details by email to steve@queenslandrunning.com.au.
