

QUEENSLAND RUNNING

CROSS COUNTRY

Huxtable Park, West Chermside

Saturday 29 April 2017

Round 8

Athletes should be aware that if they finish a race and a time is recorded but they do not report, then when matching times with places there is a mismatch and incorrect times are allocated. If you finish a race please make sure that you are recorded as a finisher whether you have a race number or not or whether you are only using the race as a warm-up or warm-down.

Feedback was received from athletes with GPS watches on the accuracy of the courses. The 2km course was between 30m and 50m short, the 1500m course was 30m short. The 1km and 800m courses were reasonably accurate. The 2km course had a significant hill of around 200m.

If you wish to give feedback on any matter regarding the courses or the running of the competition you are invited to use the email address listed below.

We wish to encourage athletes and spectators to volunteer in making the running of the afternoon's events as successful as possible, even if it just for one race. We need volunteers as back-up time keepers, recorders and course marshals and to pick up the flags.

The day was fine and warm.

If you notice any errors in times, or in the member data base could you please advise the correct details by email to steve@queenslandrunning.com.au .
